# KANSAS HOUSING MARKETS FORECAST 2021 SEWARD COUNTY HOUSING OUTLOOK

**CONNECTIONS.** If there's one thing we've learned so far this year, it's how deeply connected we are – physically, electronically, economically, socially. Even while it remains true that “all real estate markets are local,” these connections bind us together across the state.

As we work our way through the effects of the pandemic in the coming year, it is my hope that we are able to restore and enrich the connections that will always matter most, those with our colleagues, friends and loved ones across the community.
