

Kansas City HOUSING FORECAST

Not everything we “know” turns out to be true. We begin to take the familiar for granted and fail to notice the changes happening around us. To see things more clearly, we sometimes need to look at things from *A New Perspective*.

This year’s Kansas City Housing Market Forecast can help you do just that. By combining the latest economic and housing market data with our own unique insights and analysis, the WSU Center for Real Estate provides you with the new perspective you need to prepare and adapt to the changing housing market.

Dr. Stanley D. Longhofer
Director, WSU Center for Real Estate
WICHITA.EDU/REALESTATE

The Center for Real Estate receives no state funding. Our activities are supported entirely through gifts from generous supporters throughout the region:

- Clark Real Estate Foundation
- Meritrust Credit Union
- Pulaski Bank Home Lending
- Security 1st Title
- Walter Morris Endowment for Real Estate
- REALTORS® of South Central Kansas

Special Thanks:

- Faith Atteberry | WSU Center for Real Estate
- Kipp Cooper | Kansas City Regional Association of REALTORS®
- Karen Gehle | Kansas Association of REALTORS®
- Jeremy Hill | WSU Center for Economic Development and Business Research
- Samuel Radaha | WSU Center for Real Estate
- John Ringgold | Real Estate Business Resources
- Diane Ruggiero | Kansas City Regional Association of REALTORS®

Participants in the 2015 Kansas City Real Estate Roundtable

We are also grateful to the REALTOR® boards and multiple listing services that have provided much of the data used to prepare this forecast:
