

The WSU Center for Real Estate:
Laying a Foundation for Real Estate in Kansas

The Center for Real Estate was created to help deepen the connections between the region's professional real estate community and the academic programs at Wichita State University. Whether you want to better understand the area's real estate markets or engage our students as interns or full-time employees, the WSU Center for Real Estate is your go-to resource.

In the midst of a pandemic and its consequent economic turmoil, it may seem that Kansas housing markets are defying gravity. The tightest inventories in history have led to bidding wars, rapidly rising home prices, ... and buyer fatigue. Will the market continue a meteoric rise? Or come crashing back to earth?

As we navigate into the uncharted void, this year's Ellis County Housing Outlook is here to give you the guidance you need to explore a housing market that is *Out of this World!*
