## Market Distortions

It's hard to get a clear picture of today's housing market. With mortgage rates swinging from all-time lows to multi-decade highs, home prices rising at unprecedented rates, bidding wars giving way to... Housing markets have been so crazy over the past few years, it can be hard to see through the distortions to understand what "normal" really is.

As always, we bring you the Kansas Housing Markets Forecast Series to help you tune in and see clearly what to expect in the coming year.
